Who we are

Global Leader Education Platform is dedicated to educating Chinese high school students about international affairs in order to nurture their ability of critical thinking and social networking through Model United Nations activities. Founded in 2009 by graduates from Peking University, who are passionate about MUN activities, GL Education hosts 2 summer camp and a national MUN conference every summer vacation for 5 years till now.

GL Education is a reputable partner to more than 100 top high schools in China, providing MUN curricula guides and supporting their MUN activities. GL Education aims to equip the youth with the academic and social skills in order to face the challenges and take advantage of the chances in the era of globalization, transforming the promising young adults into future global leaders.

What You Can Expect

Our program runs summer training camps and a national MUN conference.

The camps will be held from July 13 to 22 in Shanghai and from July 26 to August 4 in Beijing. The conference will be hosted from August 6 to 8.

In our camp, you’ll teach forward-thinking Chinese high school students;
In our camp, you’ll be immersed in Chinese culture;
In our camp, you’ll have chance to be the house host and plan extracurricular activities;
In our camp, you can share your experience with peer university students from Harvard and MIT;
In our camp, you’ll learn more about Chinese education, which decides the future of China.

And we will cover the cost of all transportation and accommodation for you. Between the two camps there will be a 2-day tour with our staff members and peers. The program’s location makes it a great starting point for summer travel in China.

What We Expect

Welcome to join us, serving as a staff member in our summer camps and our conference! We are looking for candidates passionate about MUN and teaching, interested in global issues and experienced in cross-cultural exchange.
